Dr. Howard R. Neville
Univ. of Maine
Orono, Maine

Dear Dr. Neville:

Sorry to have to write you in this situation, but I am a very concerned father of a freshman son at UMO. I am very concerned about the homosexual situation at the Orono campus.

I hope that you will see fit to make a supreme effort to undo the damage that has been done and is being done to the Orono campus by this perverted group.

Sincerely yours,

Dear Mr. [REDACTED]:

I thank you very much for taking time to write about some of the things that are going on at the University.

As you may know from reading in the newspaper, the conference which we are holding here is a result of a position taken some time ago. We are all as much concerned about it as I am sure you are. Enclosed is a copy of the Trustees' action and my personal statement made shortly thereafter.

I hope that you will continue to give the University your own support as we try our best to make what changes as are directed for us in this difficult world in which we live.

Thank you again for writing.

Sincerely yours,

Howard R. Neville
President
